## Care Centered on You

We're here to provide home care that empowers you. Whether you need a friendly companion, support with personal care, or more specialized care to help you live with dementia, we're here for you.

We provide home care in the place you call home. Whether this is your family home or a senior living community, our caregivers can support you.

## The Dovidá Way

### Person-centered care

Compassionate caregivers are matched to you based on your values and interests, paving the way for meaningful connections.

### Circle of Care

We work in partnership with you, your family and healthcare professionals to provide holistic care.

### Experienced care managers

A dedicated care manager will help plan, navigate, and coordinate your care, ensuring your goals are met.

### Skilled caregivers

Dovidá directly employs caregivers based on their life experience and personality, with each undergoing our extensive training.

### Flexible scheduling

Your caregivers will visit you at your preferred days and times.

### No wait lists

We are responsive to your care needs, enabling you to access private services immediately.

### 24/7 support

You can receive care 24/7, with round-the-clock phone support.

### Local people, local knowledge

Your local Dovidá office employs local people with strong ties to the community.

## Your Care, Your Way

At Dovidá, we provide the highest quality of care because we know that each and every one of our clients is unique.

We support, empower and uplift people by putting them at the heart of every decision of their care.

Our Circle of Care places the individual at the center of a holistic support system uniting families, our skilled caregivers, and healthcare professionals.

The Circle of Care ensures that everyone experiences Dovidá's care philosophy, empowering you to live **Your Life, Your Way**.

## Care grounded in connection

We believe in building genuine relationships. Our caregivers take the time to truly understand and get to know your interests, values, and personality - with kindness and curiosity.

## An expert team you can trust

Our caregivers receive ongoing training to provide for a wide range of care needs. Behind them is a supportive team that conducts quality checks and regular assessments to ensure your care is always of the highest quality and meets your needs.

## In-home consultation

Let's start with a conversation. We offer a free, no obligation, home care consultation.

You and your loved ones can ask questions and explore your care and funding options. Together, we create a personalized care plan that fits your needs and preferences.
